Please note that in 2007 ABCT's Board of Directors adopted a nondiscrimination policy, which reads:

The Association for Behavioral and Cognitive Therapies is committed to a policy of equal opportunity in all of its activities, including employment. ABCT does not discriminate on the basis of race, color, creed, religion, national or ethnic origin, sex, sexual orientation, gender identity or expression, age, disability, or veteran status.

It is the policy of the Board of Directors of ABCT that any institution that hires or offers training must, when promoting those functions at any ABCT venue, review the ABCT nondiscrimination policy. If an institution's policy differs from ABCT's nondiscrimination policy, it must be stated in a flyer, available upon demand at the Internship Training Site Overview. The recommended wording for such a statement of difference follows: "The nondiscrimination policy of institution XYZ differs from the ABCT policy in that it does not include religion or ethnic origin."

[] I have read the nondiscrimination policy and state my institution's policy does not differ in any material way.

[] Our policy differs significantly from the policy as recommended by ABCT. By checking this box, I am forwarding our policy to Dakota McPherson, Membership and Marketing Manager at dmperson@abct.org
